imperfections that remain are intentionally left to preserve the state of such historical works this life we live is full of ups and downs joy and pain surprises and routines godliness and evil and many other things that we each handle in our own ways some of our ways are similar and some are exactly the opposite some of us strive to better ourselves some of us choose to be content with our way of living and some of us make our way of living hard with the decisions we make in this life there are some who listen to wisdom and take heed there are some who listen to wisdom and disregard it then there are those who do not bother to listen at all this book is for those who listen and take heed i have been incarcerated several times and i feel as though jail is not the place to be i have been locked up in county jail city jail and prison for crimes ranging from disorderly conduct to first degree murder i am locked up now as i write this book we learn from experience so who better to write a book about jail than a person who has experienced all the different forms of jail this book has three sections and purposes the first section chapters 1 through 11 is designed to help people avoid going to jail by putting christ as the head of their lives by obeying god s law and the law of man by separating themselves from the wrong people places and things by being joined together with the right people places and things by using their time wisely by working and doing positive constructive legal things and by being what people would refer to as a good person in section two chapters 12 through 25 i tell you how to live your life behind the bars fences and locked doors more safely wisely peacefully in good health and in hope as always god is first and should be first while you are in jail also it is only with god that you will be able to do the things i suggest and live the way i advise you to live while in jail things such as keeping your cool in heated situations being surrounded by drugs but remaining drug free living in the midst of criminals

committing crimes but refraining from partaking staying out of harm s way maintaining an intimate personal relationship with our lord and savior jesus while we are in a place that frowns upon godliness having faith that all things work together for those who love god and are called by him and not losing hope would be impossible without god s grace mercy and love this section should help you to live the life that god wants you to live during incarceration section three chapters 26 through 34 contains a lot of the same advice from section one basically both chapters help to keep you from going to jail but section three deals with the matter of having been to jail and now being out of jail when i use the word jail i am referring to a place of incarceration so some of this section deals with post prison life with and without probation or parole some of it simply deals with life after experiencing bondage but all this section has one goal in mind to prevent you from going back into that life of bars and locked doors i give advice on most of the same stuff from section one but with different insight since you have already been in jail for people who are on post release supervision probation or parole i explain the risk of doing things that are not illegal and still going to jail if you are blessed enough to get arrested not go to jail but still have probation of some sort it is a must that you read chapter 29 to know the truth in full detail section three gives less scenarios than section one but in section three i try to help you more by stressing the fact that you need to have jesus as the head of your life to break the cycle of going back and forth to jail chapters 26 through 34 section 3 should help you put the past behind you and move forward in your life to please god this entire book consists of scriptures that god gave us to know how to live if you believe that the scriptures are inspired by god and you apply them to your life along with my counsel on the matters at hand you will make better decisions and put yourself in less consequential situations i suggest that you start with chapter one and read the complete book first then skip around to certain parts of the book as they pertain to what you are going through and who you are dealing with to ensure the maximum potential of this book do not take any shortcuts before you begin reading pray that god gives you understanding you should do this now before you start on chapter one and every single time that you pick up this book to resume reading it ask the holy spirit to help you receive retain and relay all the message written in this book i am praying that all of you are helped by it may the grace of god cause revelation and illumination in your life as you read god
