Roarke from 1 New York Times bestselling author J.D. Robb comes a tantalizing novel in the futuristic In Death series as detective Eve Dallas searches for a Casanova killer with a deadly appetite for seduction. Dante had been courting his victim in cyberspace for weeks before meeting her in person. A few sips of wine and a few hours later she was dead. The murder weapon: a rare, usually undetectable date rape drug with a street value of a quarter million dollars.

Detective Eve Dallas is playing and replaying the clues in her mind: the candlelight, the music, the rose petals strewn across the bed. A seduction meant for his benefit, not hers. He hadn't intended to kill her, but now that he had, he is left with only two choices: to either hole up in fear and guilt or start hunting again.

When a famous thespian is killed right before her eyes, New York detective Eve Dallas takes a new place in crime as both officer and witness to murder. In this novel in the 1 New York Times bestselling In Death series, the opening night of the revival of Agatha Christie's *Witness for the Prosecution* at New York's New Globe Theater turns from stage scene to crime scene when the leading man is stabbed to death right on center stage. Now Eve Dallas has a high profile celebrity homicide on her hands. Not only is she lead detective, she's also a witness, and when the press discovers that her husband owns the theater, there's more media spotlight than either can handle. The only way out is to move fast, question everyone and everything, and in the meantime try to tell the difference between the truth and really good acting.

video reveals the killer's deadly intent: merciless retribution in the cruellest way possible. Eve and her team must race against the clock to identify the next victim of a killer who will stop at nothing.

1 New York Times bestselling author J. D. Robb presents an intense and terrifying case for New York homicide cop Eve Dallas, one that will take her all the way to the city that named her and plunge her into the nightmares of her childhood when a monster named Isaac McQueen, taken down by Eve back in her uniform days, escapes from Rikers. He has two things in mind: one is to take up where he left off abducting young victims and leaving them scarred in both mind and body; the other is to get revenge on the woman who stopped him all those years ago.

In this thriller in the 1 New York Times bestselling In Death series, it's game over for the criminals who cross Lieutenant Eve Dallas as she investigates the murder of a virtual reality wunderkind. Bart Minnock, founder of the computer gaming giant U Play, is found in his locked private playroom in a pool of blood, his head separated from his body. Despite his violent end, Eve can't find anyone—girlfriend and business partners included—who seemed to have a problem with the enthusiastic, high-spirited millionaire. Of course, gaming like any business has its fierce rivalries and dirty tricks. As Eve's husband, Roarke, one of U Play's competitors, knows well, Bart Minnock was not naïve and he knew how to fight back in the real world as well as the virtual one. Eve and her team are about to enter the next level of police work in a world where fantasy is the ultimate seduction and the price of defeat is death.

Detective Eve Dallas tracks the cunning, cold-blooded killer of a doctor and his son in this novel in the 1 New York Times bestselling In Death series. A pioneer of modern reconstructive and cosmetic surgery, Dr. Wilfred B. Icove is found dead in his office, murdered in a chillingly efficient manner: one swift stab to the heart, struck by the immaculate condition of the crime scene. Dallas suspects a professional killing. Security disks show a stunningly beautiful woman calmly entering and leaving the building. The doctor's final

appointment known as Dr. Perfect, the saintly Icove devoted his life to his family and his work. His record is clean, too clean for Dallas. She knows he was hiding something and suspects that his son and successor knows what it is. Then, like father, like son, the young Dr. Icove is killed with the same deadly precision. But who is the mystery woman and what was her relationship with the good doctors while her husband, Roarke, works behind the scenes? Dallas follows her darkest instincts into the Icoves' pasts. What she discovers are men driven to create perfection, playing fast and loose with the laws of nature, the limits of science, and the morals of humanity. As she digs deeper into Larinda's mysterious past, it becomes clear the reporter had a unique talent for uncovering secrets, including ones very close to home for Eve and her husband, Roarke. Someone was willing to commit murder to keep their secrets hidden, and with Eve now working to uncover the truth, she and her team are heading into serious danger.
