ben they have always been together just the two of them so when ben brings home his mysterious beautiful new wife daisy immediately annie doesn't trust her who is this woman who has taken her son away from her and what is she hiding she'll protect him with her life when ben disappears suddenly annie and daisy are all the other one has alone in annie's big remote house just the two of them the tension is rising and like any protective mother annie will stop at nothing to expose her new daughter in law and the secrets she is hiding a gripping psychological page turner perfect for fans of sally hepworth's the mother in law lisa jewell and k l slater totally addictive i couldn't put it down darren o sullivan author of closer than you think a claustrophobic nail biting thriller that draws you in and doesn't let go naomi joy author of the liars clever emotionally draining and totally gripping i absolutely loved this book d e white author of remember me what readers are saying about the daughter in law i give this book 5 wows absolutely fantastic had me gripped loved it can't wait for more from this author 5 stars what a great book this did not disappoint lots of twists and turns and i loved the ending cannot wait to read more from this author there is quite a few twists in this story but the biggest twist is the one at the end and i didn't have a clue a ridiculously good book i loved every single page and couldn't put it down fantastic creepy dark and chilling this book was excellent fast paced with twists and some turns you can see coming this is the perfect beach read a page turner that i couldn't put down i couldn't put it down i am a daughter of sarah is an inspirational book of affirmations it features bright beautiful images inspiring statements and bible verses it is inspiring to all ages your daughter will love these beautiful images and feel empowered by these affirmations this is a tale of what might have taken place it is fiction though it is shot through with many historical facts i came across a real story in a real photograph which forms the frontispiece of this book or rather two real stories that interwove into a tale worth telling and in both stories most of the people were real they lived they breathed they walked under the sun and saw out their lives as we all do but beyond that i have put words into their mouths ascribed actions to them that they probably never took and made them interact in ways they may never have done on the other hand they may have done all of these things and the fact is that no one alive today knows whether they did or not their lives are mostly a blank sheet so in telling their story i set them as far as i could into the world of their day and made the detail of their everyday lives real though i have tried to treat them with respect if my characters go to a shop then be assured that shop existed in the visiting of a theatre that also existed the playbill is composed of acts of the time if they catch a train at a station though closed for 100 years that station was there many of the small details in my book may be searched for and found in books and on the internet should anyone care to do so not all of my characters are real for it was necessary to invent some for story purposes nonetheless they are of their time also i have tried to make it so that my audience can enter into the age in which this story is set even in minutiae and in some way though through a glass darkly to see the world as it was then it is my hope that the reader enjoys the result solène marchand begins an impassioned affair with a member of her daughter's favorite boy band winner honorable mention at the new england book festival you try turning out all right after you overhear your mother wishing you hadn't been born it had started out well umbrellas tangled a storybook romance followed a wonderful wedding a beautiful sweet first daughter they were complete a family happy and then they went and had another daughter her charming and witty fraud of a father theodore starts disappearing then worse coming back her once allegedly sweet older sister regina angrily resents her and the sisters are at constant war her poor harried mother helen is so busy what ifting about the life she might have had that she overlooks the life she is actually having everyone blames debra for pretty much everything as the family slowly then quickly then one day explosively disintegrates along the way there are secrets and lies heartbreaks and betrayals plus the dramatic unexpected death of a central character at a pivotal moment

debra now a young woman finds herself living awkwardly alone with her embittered mother when the phone rings and her mother's secret past suddenly crashes back into the present their life may be about to change forever or rather perhaps revert back to what it should have been all along but not exactly because of that phone call as it turns out because of the remarkable second daughter for what debra gale has is unyielding determination what she has is an irrepressible capacity to love and now at last what she has is a chance the complex dynamics of a changing family mother daughters sisters and the father who both divides and unifies them that dramatic unexpected death plus a fair amount of banana cream pie welcome to the second daughter a funny but poignant unusual but beautiful love story have you ever sat next to a window on a rainy night engrossed in conversation with a friend a friend who keeps you entertained with his tales and rhymes in this book daughter of the moon prathamesh attempts to be that friend and titillate the dormant sense of romance and adventure in your life with his play of words and love for storytelling he tries to capture some of the most touching and rarest moments of life breathing the air by the beach dancing madly to your favorite tune sharing tales with friends by the fire embracing a lover after a long time daughter of the moon is highs and lows of love life and romance distilled in pages a duke's daughter and a navy commander a tragic accident a secret cypher and a clandestine engagement a strange twist of fate brought the unlikely pair together now nothing will keep them apart formerly the music of love lady amelia atherton is not a woman to be trifled with known as the diamond of the ton she is beautiful witty and the only daughter of the duke of ely the men of the peerage see her as a prize to be won and perhaps a way to obtain her father's influence commander samuel beresford is the brash sometimes rude younger son of the earl of blackburn a royal navy commander who has little time for the affectations of society two people have never been so mismatched but when amelia's father the duke of ely dies under mysterious circumstances and samuel's elder brother is poisoned within a mere day of the duke's death both lady amelia and commander beresford find themselves locked in a desperate search for the culprit amelia was always careful to guard her feelings that is until she met samuel beresford now everything lady amelia once took for granted has been shattered and with the dukedom in the hands of her odious uncle declan amelia and samuel plan an elaborate ruse in the hope of drawing out the murderer lady amelia atherton considered herself as tough as a diamond but somehow samuel beresford has found his way into her heart neither could imagine falling in love now it seems they cannot imagine loving anyone else a sweet and wholesome clean read regency romance free on kindle unlimited a full length novel from the #1 amazon bestselling author of dream of a duke from love's harvest a regency romance harvest collection don't miss the passion and excitement of regency romance by isabella thorne follow isabella thorne on amazon visit isabella thorne's website sign up for her newsletter to be notified of the debut of isabella thorne's next book isabellathorne.com like isabella thorne on facebook facebook.com/isabellathorneauthor no one is good enough for her son as a single mother annie has an especially close relationship with her son ben they have always been together just the two of them so when ben brings home his mysterious beautiful new wife daisy immediately annie doesn't trust her who is this woman who has taken her son away from her and what is she hiding she'll protect him with her life when ben disappears suddenly annie and daisy are all the other one has alone in annie's big remote house just the two of them the tension is rising and like any protective mother annie will stop at nothing to expose her new daughter in law and the secrets she is hiding a gripping psychological page turner perfect for fans of sally hepworth's the mother in law lisa jewell and k l slater hannah joya didn't have a childhood like many with a dad who was paralyzed growing up was anything but normal but being normal wasn't a goal for hannah embracing her relationship with her father was when her hero took his last breath she promised her dad that his pain would not go without purpose on her journey of healing and
