contains scholarly evaluations of books and book chapters as well as conference papers and articles published worldwide in the field of latin american studies covers social sciences and the humanities in alternate years commemorating the 50th death anniversary of internationally acclaimed artist diego rivera b mexico 1886 1957 author tibol presents 20 years later a second bilingual and updated version of her previous book diego rivera ilustrador sep 1986 the book examines rivera as a prolific and imaginative illustrator of books magazines newspapers and posters that skillfully moved in all the predominant art styles of his time from the late romantic realism through cubism mexicanism indigenism surrealism the allegoric prehispanic representation to neorealism this new modified edition includes works recently located in private collections not included in the previous one baroque new worlds traces the changing nature of baroque representation in europe and the americas across four centuries from its seventeenth century origins as a catholic and monarchical aesthetic and ideology to its contemporary function as a postcolonial ideology aimed at disrupting entrenched power structures and perceptual categories baroque forms are exuberant ample dynamic and porous and in the regions colonized by catholic europe the baroque was itself eventually colonized in the new world its transplants immediately began to reflect the cultural perspectives and iconographies of the indigenous and african artisans who built and decorated catholic structures and europe s own cultural products were radically altered in turn today under the rubric of the neobaroque this transculturated baroque continues to impel artistic expression in literature the visual arts architecture and popular entertainment worldwide since neobaroque reconstitutions necessarily reference the european baroque this volume begins with the reevaluation of the baroque that evolved in europe during the late nineteenth century and the early twentieth foundational essays by friedrich nietzsche heinrich wölfflin walter benjamin eugenio d'ors rené wellek and mario praz recuperate and redefine the historical baroque their essays lay the groundwork for the revisionist latin american essays many of which have not been translated into english until now authors including alejo carpentier

josé lezama lima severo sarduy Édouard glissant haroldo de campos and carlos fuentes understand the new world baroque and neobaroque as decolonizing strategies in latin america and other postcolonial contexts this collection moves between art history and literary criticism to provide a rich interdisciplinary discussion of the transcultural forms and functions of the baroque contributors dorothy z baker walter benjamin christine buci glucksmann josé pascual buxó leo cabranes grant haroldo de campos alejo carpentier irlemar chiampi william childers gonzalo celorio eugenio d ors jorge ruedas de la serna carlos fuentes Édouard glissant roberto gonzález echevarría Ángel guido monika kaup josé lezama lima friedrich nietzsche mario praz timothy j reiss alfonso reyes severo sarduy pedro henríquez ureña maarten van delden rené wellek christopher winks heinrich wölfflin lois parkinson zamora after seven months of restoration and a hard management for its purchase the house of juan o gorman projected in 1929 will reopen its doors in 2016 located in front of the former hacienda de goicochea today san Ángel inn restaurant was built in what was the tennis courts of the estate lands acquired by juan o gorman with the payment of fees for his collaborations with carlos obregón santacilia completed in 1929 it is considered as the first functionalist home in mexico in which intentionally simplifies the naked use of concrete slabs and makes the slenderness of the posts look evoking the maisons domino of le corbusier 1914 the exhibition sets out to chart the complex and fragmented path of geometric abstraction in latin america so as to reveal the way in which it renovated and also differed from the constructions and inventions produced by european geometric abstraction painting sculpture photography and architecture are represented through the nearly three hundred pieces on display some never before viewed outside their country of origin by a total of sixty four artists from argentina brazil colombia cuba uruguay venezuela and mexico the exhibition has a specific time frame defined by the dates in which two artists returned to america from europe 1934 the year when joaquín torres garcía settled permanently in montevideo following his european and north american tour and 1973 when venezuelan artist jesus rafael soto returned to his native city of ciudad bolivar to attend the opening of the museum that carries his name the exhibition offers a vision of a latin america that differs from the normal stereotype rather than a hasty and cliched identification of the continent with the intense heat of spontaneity or an association of the concept of the indigenous with that of the tropics and the caribbean the work of these artists in fact points to a cold south america objective geometrical and rational and one that gave rise to a fascinating and surprising type of abstract art readers can discover all the foul facts about the barmy british empire including how a war started when a brit was sitting on a stool and why a british soldier used his own coffin as a wardrobe with a bold accessible new look these bestselling titles are sure to be a huge hit with yet another generation of terry deary fans recoge los trabajos resultantes de algunas de las sesiones que constituyeron el iii curso de introducción a los estudios de la mujer celebrado en la universidad de huelva en 2001 se distribuyen en dos ámbitos de conocimiento teóricamente muy diferenciados pero en realidad íntimamente relacionados uno que afecta a lo social y sus repercusiones desde lo más personal e individual las estructuras familiares a lo más genérico e impersonal el derecho internacional y otro relativo a la literatura y el arte tradicionalmente ligado al no compromiso con la realidad pero que también se convierte en instrumento eficaz para neutralizar dicotomías tradicionales que excluyen e invisibilizan a la mujer un estudio original sobre el 27 y la memoria de su pasado tras el final de la guerra y la muerte de lorca como símbolo anna tells the story of the rise and fall of mexico s liberator from september 1821 to march 1823 he highlights iturbide s contributions to mexican independence his crowning as emperor his historic struggle with congress and the role that regionalism played in his downfall the strong point of the book is anna s debunking of william spence robertson s iturbide of mexico and other biographies r acuña choice the baroque period was crucial for the development of art theory and the advancement of the artistic academy this collection of primary sources brings this important period to life with significant documents and texts it conveniently assembles major texts which are otherwise available only in scattered publications the lives of leading artists caravaggio el greco among others are discussed by their contemporaries while bellori galileo pascoli and others

write on art theory and practice the documents provide fascinating glimpses of the period s artistic self image este libro pretende ser un primer acercamiento a los museos latinoamericanos desde el panorama español de la museología estas instituciones presentan un abanico de realidades infinito del que en el presente estudio se quiere rescatar y poner en valor y conocimiento de especialistas y público interesado al menos una parcela que consideramos de importancia los museos latinoamericanos son grandes desconocidos dentro del panorama europeo en general y español en particular aunque lo mismo suele ocurrir de un país americano a otro se desconocen sus colecciones su poder mediático dentro de la sociedad su espléndida arquitectura sus avances metodológicos y museográficos aprendiendo de latinoamérica aspira a poner en contacto al lector con varias de estas cuestiones prácticas y conceptuales y con casos concretos lo que da testimonio de uno de los apartados más sobresalientes del patrimonio cultural de ese continente pretendemos que de ellos se extraigan ideas y enseñanzas para el aprendizaje o la aplicación de experiencias en distintas latitudes objetivo fundamental de esta obra es también contribuir con un nuevo aporte en la ardua tarea de paliar el vacío historiográfico existente en españa respecto de la museología latinoamericana aprendiendo de latinoamérica el museo como protagonista se estructura en cuatro bloques temáticos que abordan aspectos tan variados como el contenido del museo con especial referencia a los discursos museológicos que subyacen detrás de las obras expuestas el museo y su incidencia en el espacio público la importancia de la arquitectura dentro de los proyectos museológicos y museográficos y por último la difusión tanto desde el punto de vista de la utilización de las nuevas tecnologías como desde la óptica de otras formas de exhibir para la redacción de este libro se ha contado con un equipo interdisciplinar formado por museólogos historiadores del arte arquitectos historiadores conservadores y directores de museos se ha intentado que esté representado al menos un alto porcentaje del continente ya sea por medio de la integración de autores de distintas procedencias ya sea por la inclusión de trabajos de contenido abarcante y amplia visión espacial los premios irene contribuyen a la movilización de la comunidad educativa y al debate y reflexión al servicio de la prevención de la violencia contra las mujeres el libro recoge los premios de la tercera edición que constituyen la mejor de las motivaciones para que otros centros educativos participen en el proyecto que garantice la equidad educativa y social junto al respeto a las diferencias entre hombre y mujer los premios recogidos en el libro son otra mirada educando para la igualdad descubriéndonos en igualdad la caída de una princesa y la desigualdad de la igualdad algunos ejemplos de cómo intervenir de forma crítica para modificar el entorno en materia de igualdad desarrollo de la autoestima como prevención a los malos tratos los cuentos como recurso pedagógico when love kills cuando el amor mata picasso in dialogue with the iberian holdings of the louvre although he spent most of his adult life in france painter pablo picasso 1881 1973 never denied the artistic influence that his upbringing in spain imparted upon him of particular significance was the art and culture of the iberian peninsula where he had been born and later lived as a young man though it was likely that his first real encounter with iberian art took place at the louvre in france this volume accompanies a curatorial collaboration between the centro botín in spain and the musée picasso paris in france that explores picasso s relationship with iberian art on an unprecedented scale the book demonstrates this rich connection by comparing works by picasso with masterpieces from the louvre s iberian collection and major spanish archaeological museums further context provided by the world s leading experts in iberian art conveys the depth of picasso s cultural and artistic dialogue with his birthplace un total de 18 especialistas de distintas universidades presentan sus aportaciones sobre el arte latinoamericano del pasado siglo el libro nace con la pretensión de ofrecer una nueva historia del arte latinoamericano contemporáneo no tiene carácter sintético y general sino que ofrece distintas aproximaciones sobre temas específicos y con intención básicamente interpretativa se trata de contar pequeñas historias disímiles a menudo marginadas de la historia del arte obra profusamente ilustrada about the idiosyncratic of o keeffe s career the art of american painter georgia o keeffe 1887 1986 is splendid with color and laden with hidden sensuality o keeffe s name rests mainly on the large format flower pictures that have assured her an unusual place in the annals of art

between realist and abstract our basic art series study traces the idiosyncratic of o keeffe s career and numerous illustrations document the most important periods in her lengthy life in art about the series each book in taschen s basic art series features a detailed chronological summary of the life and oeuvre of the artist covering his or her cultural and historical importance a concise biography approximately 100 illustrations with explanatory captions the history of mexico s fearless intimacy with death the elevation of death to the center of national identity beginning with volume 41 1979 the university of texas press became the publisher of the handbook of latin american studies the most comprehensive annual bibliography in the field compiled by the hispanic division of the library of congress and annotated by a corps of more than 130 specialists in various disciplines the handbook alternates from year to year between social sciences and humanities the handbook annotates works on mexico central america the caribbean and the guianas spanish south america and brazil as well as materials covering latin america as a whole most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas the handbook of latin american studies is the oldest continuing reference work in the field lawrence boudon became the editor in 2000 the subject categories for volume 58 are as follows electronic resources for the humanities art history including ethnohistory literature including translations from the spanish and portuguese philosophy latin american thought music they were inseparable until the day they jumped ruth saved by safety nets leaves the city kari saved by a sewer crawls back into the fray of living with angel lazarus and the girls of crystal palace forming the chorus to her song she explores the dark heart of smog city loneliness sewers sleeper success death and the memory of her absentee other sensuously illustrated and livened by wry commentaries on life and love kari gives a new voice to graphic fiction in india luis barragan was one of the most extraordinary figures in international architecture between the 1930s and the 1970s his work offers a unique interpretation of international modern architecture from the perspective of the mexican landscape is fashion art a simple question conceals the complex universe of an articulated relationship that has long been investigated but without arriving at a clear and unequivocal definition this project analyses the forms of dialogue between these two worlds reciprocal inspirations overlaps and collaborations from the experiences of the pre raphaelites to those of futurism and from surrealism to radical fashion the exhibition itinerary focuses on the work of salvatore ferragamo who was fascinated and inspired by the avant garde art movements of the 20th century on several ateliers of the fifties and sixties that were venues for studies and encounters and on the advent of the culture of celebrities it then examines the experimentation of the nineties and goes on to ponder whether in the contemporary cultural industry we can still talk about two separate worlds or if we are instead dealing with a fluid interplay of roles the distinctive aspect of the exhibition layout lies in the collaboration with other cultural institutions which took an active part in implementing this concept with the aim of inspiring joint reflection in addition to the museo salvatore ferragamo promotor and organizer of the project together with the fondazione ferragamo in florence the biblioteca nazionale centrale the gallerie degli uffizi the galleria d arte moderna di palazzo pitti and the galleria del costume the museo marino marini and in prato the museo del tessuto publisher s description every book relating the history of modern architecture features a large number of pages dedicated to avant garde designs and the formation of the modern movement in the interwar years and a similar number devoted to reconstruction and expansion after the second world war meanwhile as if owing to lack of understanding or convenient silence there is void of dark years of wars exile and misfortune about which little can be said however it was in these dark times as in so many other revealing moments in the history of culture that experimental and profoundly invigorating experiences were taking place architects and artists voluntarily or forcibly driven to the margins of social importance began to react to a culturally unsustainable situation of which we know very little even today in experiments with life itself francisco gonzalez de canales studies a series of unrelated cases from the late 1930s to the late 1950s that he refers to as domestic self experimentation this analytical history traces representations of flamenco dance in spain and abroad from the

twentieth century to the present using histories film accounts of live performances and practitioner interviews beginning with an analysis of flamenco historiography the text examines images of the female dancer in films by luis buñuel carlos saura and antonio gades stereotypes of flamenco bodies and andalusian culture in prosper mérimée s carmen and the ways in which contemporary flamenco dancers like belén maya and rocío molina negotiate the stereotype of carmen and an idealized spanish feminine that pervades traditional flamenco instructors considering this book for use in a course may request an examination copy here looks at the development of american avant garde art including performance art environmental art conceptual art video and photo realism franz kafka met felice bauer in august 1912 at the home of his friend max brod energetic down to earth and life affirming the twenty five year old secretary was everything kafka was not and he was instantly smitten because he was living in prague and she in berlin his courtship was largely an epistolary one passionate self deprecating and anxious letters sent almost daily sometimes even two or three times a day but soon after their engagement was announced in 1914 kafka began to worry that marriage would interfere with his writing and his need for solitude the more than five hundred letters kafka wrote to felice through their breakup a second engagement in 1917 and their final parting in the fall of that year when kafka began to feel the effects of the tuberculosis that would eventually claim his life reveal the full measure of his inner turmoil as he tried in vain to balance his desire for human connection with what he felt were the solitary demands of his craft
